

# APPLICATION for MEMBERSHIP

MARYMOOR R/C CLUB (MAR/C)

AMA CLUB #1610, Redmond, WA

**Step 1.** Apply for, or renew your AMA membership at [www.modelaircraft.org](http://www.modelaircraft.org). Youth under 19 are FREE.

- MAR/C applicants must hold a current AMA (Academy of Model Aeronautics) membership.
- "Open Full Membership" or "Youth Membership" are required. ➤ AMA "Park Pilot" is not adequate for MAR/C membership.

**Step 2.** Apply for, or renew your MAR/C membership.

- For fastest service please apply online at [WWW.MAR-C.ORG](http://WWW.MAR-C.ORG). Click on the MEMBERSHIP tab
- Paper method: just fill out this form and mail as indicated below.

MAR/C memberships are issued for one calendar year; January 1<sup>st</sup> thru December 31<sup>st</sup>. MAR/C will accept renewals for the following year, starting September 15<sup>th</sup>, provided that the member has AMA membership in good standing for the entire following year. AMA accepts renewals for the following year starting mid-September.

Youth - FREE if under 19 as of July 1<sup>st</sup> in the membership year

Type of Membership: **Read first**, then check one below:

**FULL MEMBERSHIP:** Only for members in good standing with Solo flying privileges in the immediately preceding year. All others apply for Provisional Membership.

**PROVISIONAL MEMBERSHIP:** First time applicants, former members whose membership has lapsed, and those members who have not yet successfully passed a Proficiency Check Flight. For all three, to earn (or re-earn) solo privileges, a Flight Proficiency Check must be passed, after which a Full Membership card will be issued. See website Flight Proficiency Check tab, or the back of this paper for the requirements.

Note: Junior Provisional members and Junior members will be issued badges valid until their AMA Youth expiration year. Dues are not required for MAR/C or AMA if under 19 (18 or younger) on July 1<sup>st</sup> in the membership year. This way, juniors must apply once, but need not apply again until applying for the year after their Junior membership expires.

The undersigned agrees to abide by all MAR/C rules and the AMA Safety Code. Rules and requirements are posted at the flying field and on the MAR/C website.

### **FLIGHT PROFICIENCY CHECK** Updated: June, 2017

- MAR/C requires Proficiency Check Flights for all new members. A "New Member" is defined as someone who has not been a member for the calendar year immediately preceding the year of application.
- New members will be issued a Provisional MAR/C membership card that is not valid for solo flight until the Proficiency Check has been completed satisfactorily.
- Proficiency Checks will be administered by club designated Check Pilots that are listed below.
- New members are requested to contact a designated Check Pilot and arrange a mutually agreeable date and time for a Proficiency Check Flight.
- The minimum plane type for the Check Flight is the club standard 4 channel trainer (Alpha 40 for glow flyers or the Apprentice 15e for electric flyers) or an equivalent 4 channel plane.
- The minimum helicopter type for the Check Flight is one that has collective pitch. Helicopters with fixed pitch or counter rotating blades may not be used.
- Check Pilots will conduct a briefing at the field covering Field Operating Rules, the AMA National Safety Code and will point out the Flying Area Boundaries and Markers.
- Check Pilots will adopt a "Let me see you fly" attitude and will observe the new member's overall flying skills, conformance with the rules, exercises good judgment and demonstrated safety consciousness without prompting or interference.
- Satisfactory performance will result in the Check Pilot's endorsement of the provisional badge, which may then be used for solo flight until a permanent MAR/C badge is received. Check pilot shall notify Membership Chairman of satisfactory flight performance.
- New members whose performance does not meet the desired standard may choose to be referred to the MAR/C Training Program or may elect to improve their R/C skills in an informal manner with a qualified RC pilot.
- Until the Check Flight Requirement is accomplished, solo flight with a provisional card is prohibited.
- New members who are not yet 12 years of age may be cleared for solo flight after passing the Check Flight noted above. However, flyers who have been certified for solo flight and who are not yet 12 years of age are required, at all times to, to fly under the supervision of a MAR/C club member who is at least 18 years of age and will be responsible for compliance with all MAR/C and AMA rules.
- When flying at the MAR/C flying field, membership badge must be worn at all times.
